MARCH FOR MEALS

WITH
MEALS on WHEELS™

Marion Senior Services joins the National Campaign to 'END the WAIT'

The Escalating Issue of Senior Hunger and Isolation

WHO?

In celebration of the annual March for Meals campaign, Marion Senior Services will join with Meals on Wheels programs from across the country, inviting elected officials, local businesses, and other prominent figures to deliver meals, speak out for seniors, raise awareness, and donate to the local Meals on Wheels program.

WHAT?

During the entire month, Meals on Wheels programs from around the nation, celebrate proven collaboration of local community groups, faith-based organizations, businesses, all levels of government and compassionate individuals to ensure that seniors are not forgotten.

HOW CAN YOU HELP?

During its month-long celebration, in addition to donating, MSS will be scheduling ride-along opportunities for interested community influencers. You can learn more about the Meals on Wheels program, meet our team of dedicated drivers, and the clients we serve. To reserve your seat, contact Glenda Thomas, Nutrition & Outreach Director, at 352-620-3501, or gthomas@marionseniorservices.org

OTHER WAYS TO HELP...

Along 24 routes and throughout the four corners of our vast county, MSS delivers an average of 320 meals to homebound seniors. But it is more than just a meal! Through this service, our team of delivery drivers help in meeting nutritional needs, combating social isolation, addressing safety hazards in the home, and even provide pet food for the client's furry companions. Please consider making a one-time or monthly donation to **End the Wait**. It's easy... just scan the QR Code below!

Meet Ms. Mc...

At a 107 years of age, Ms. Mc. holds the record of "most aged" Meals on Wheels client in Marion County. She first began service as a congregate attendee, and soon became a dedicated volunteer, assisting with cleaning, and most of all, making everyone feel welcomed and loved with her genuinely warm smiles and hugs.

Now a recipient of home delivered meals, Ms. Mc. not only receives a daily nutritious meal, a wellness check, and a light conversation with her delivery driver, she is able to age in place, continue to enjoy the comforts and safe environment of her own home, while avoiding the affects of food insecurity and isolation.

Without the support of home delivered meals, Ms. Mc., and many seniors in our community, are at risk due to growing demand and rising costs, and left waiting for nutritious meals and moments of connection. The need has never been greater, but together, we can...

End the Wait!

Marion Senior Services is a nonprofit, charitable social agency providing supportive care services to elderly, disabled, and (disadvantaged) residents of Marion County, Florida. We help our clients to remain living in their own homes independently as long as possible by providing Meals, Transit, and In-Home Support services.
