Become a Kids Central Mentor

Are you looking to make a positive impact on the next generation while growing both personally and professionally? Become a Kids Central mentor today!

Become a Mentor & Make a Lasting Impact!

As a volunteer with Kids Central's Mentoring Program, you have the opportunity to make a real difference in the life of a young adult in the foster care system. By offering guidance and support, you can help a local foster youth navigate their path to adulthood and a brighter future.

Studies show that teens with engaged mentors are more likely to:

- Enroll in college or trade school
- Avoid illegal drug use
- Thrive in life with more confidence and support

Mentorship is an incredible way to give back to your community, even if fostering isn't the right fit for you. Whether you're ready to start or just want more information, the Kids Central team is here to help!

Apply today at <https://www.kidscentralinc.org/get-involved/mentoring/>

Have questions? Contact us at (352) 873-6332 or mentoring@KidsCentralinc.org

Together, we can help these young adults achieve a brighter, more successful future.
